Community based rehabilitation
CBR is a local programme which offers needed rehabilitation services for people living within the area.
Career education... decision making, job seeking, job holding, good work habits.
Have to devise an effective array of programmes that will meet the individual needs of students on the paths to adulthood.
Jobs for all

- Young age group:
Jobs for all

- Adult group
Jobs for all

Older group:
We should never create something which cannot be locally self-sustaining
Participating in cooking job.
Fetching water from community tap
Need to believe that villagers have within themselves most

The ideas

resources

Energy to bring about changes
In CBR
The disabled should be fully or totally integrated in the community
Education & work practice goes together
Jobs with family support
Total Rehabilitation
